

A decorative border made of green, stylized floral and vine motifs surrounds the text. The border consists of repeating patterns of leaves and flowers along the top, bottom, and sides.

*Darcee Grivel and Joni Simon are collecting new (unused) greeting and note cards that will be sent to military members stationed in places where they may have little or no access to buy cards. Two examples are those in isolated areas of Afghanistan and those aboard Navy ships.*

*Since it may take a while for our donated cards to reach those who will use them, please donate cards for holidays coming up within a few months. For example, now is a great time to think about holidays in February such as Valentine's Day, St. Patrick's Day in March and later.*

*Since this is an on-going project, please also think about greeting cards used for other reasons: anniversary, birthday, birth of a baby, get well, graduation, retirement, thinking of you, and unfortunately, sympathy cards. Of course, all-purpose note cards could be useful as well.*

*Please bring these greeting and note cards to Rotary meetings so Darcee and Joni may collect them and send them on their way.*

*If you have any questions, please contact Darcee or Joni.*
